Dialogue Across Disciplines: Bridging Humanities, Arts & Sciences

With iconic actor, science advocate and bestselling author of “If I Understood You, Would I Have This Look on My Face?”

Alan Alda

Alda’s message is simple but profound: Cultivating empathy can impact every aspect of our lives, from how we communicate complex scholarly concepts to the way we relate to loved ones.

At this unique event with one of the greatest humorists and storytellers of our time, students and faculty will come together to ask: “How can we transcend disciplinary boundaries?”
